This Court has supplemental jurisdiction over the subject matter of all other claims pursuant to 28 U.S.C. §1367(a).

2. Venue is proper in this Court pursuant to 28 U.S.C. §1391(b), because the Defendants’ Property, which is the subject of this action, is located in Tarrant County, Texas.

3. Plaintiff, JAMES JOSEPH JULUKE, JR. (hereinafter referred to as “MR. JULUKE” or “Plaintiff”), is a resident of the State of Texas in Dallas County.

COUNT I
(VIOLATION OF TITLE III OF THE ADA)

9. Plaintiff realleges and incorporates into this cause of action each and every allegation contained in the previous paragraphs of this Amended Complaint.

10. The Property, a shopping center, is open to the public and provides goods and services to the public.

11. On September 29, 2013, Plaintiff last visited the Property and attempted to utilize the goods and services offered at the Property and plans to return to the Property in the near future.

12. During his visit, MR. JULUKE experienced serious difficulty accessing the goods and utilizing the services therein due to the architectural barriers discussed in this Amended Complaint.

13. MR. JULUKE continues to desire to visit the Property, but fears that he will again encounter serious difficulty and safety hazards due to the barriers discussed herein which still exist.

14. Defendants have discriminated, and continue to discriminate, against Plaintiff in violation of 42 U.S.C. § 12181 *et seq.* and 28 C.F.R. § 36.302 *et seq.* by excluding and/or denying Plaintiff the benefits of the goods and services located on the Property and by failing to provide and/or correct the following barriers to access, which Plaintiff personally observed, encountered, and which hindered his access:

- A. inaccessible parking throughout the Property due to excessive slopes within the parking spaces designated as accessible;
- B. inaccessible curb cuts throughout the Property due to excessive running slopes and excessively steep side flare slopes;
- C. inaccessible routes and sidewalks throughout the Property due to excessive slopes and a lack of proper handrails; and
- D. inaccessible fixed and built in seating along many of the exterior sidewalks are not accessible because the chairs are welded to the table and cannot be moved to allow a wheelchair user to pull into the table.

15. Upon information and belief, there are other current violations of the ADA and ADA Accessibility Guidelines (“ADAAG”) at the Property, and only after a full inspection is performed by the Plaintiff or Plaintiff’s representatives can all said barriers be identified.

16. To date, the readily achievable barriers and other violations of the ADA still exist and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA.

17. Independent of his intent to return as a patron to the Property, Plaintiff additionally intends to return to the Property as an ADA tester to determine whether the barriers to access stated herein have been remedied.

18. Removal of the barriers to access located on the Property is readily achievable, structurally feasible and easily accomplishable without placing an undue burden on Defendants.

19. Removal of the barriers to access located on the Property would allow Plaintiff to fully utilize the goods and services located therein.

20. The Plaintiff has been obligated to retain undersigned counsel for the filing and

prosecution of this action. Plaintiff is entitled to have his reasonable attorneys' fees, costs, and expenses paid by Defendants.

COUNT II
(VIOLATION OF CHAPTER 121 OF THE TEXAS HUMAN RIGHTS CODE)

21. Plaintiff realleges and incorporates into this cause of action each and every allegation contained in the previous paragraphs of this Amended Complaint.

22. Chapter 121 specifically addresses the ability of people with disabilities to integrate fully into society. Chapter 121 states the policy of Texas "is to encourage and enable persons with disabilities to participate fully in the social and economic life of the state, to achieve maximum personal independence, to become gainfully employed, and to otherwise fully enjoy and use all public facilities available within the state." Tex. Hum. Res. Code Ann. §121.001.

23. Chapter 121.003 (d)(1) prohibits any failure to comply with Article 9102 of the Texas Civil Statutes, which is identical to the ADAAG.

24. Further, each violation of Chapter 121.004(b) provides for a conclusive presumption of damages of least \$100 to the person with a disability.

25. Defendants' barriers to access as discussed herein have denied and continue to deny, the Plaintiff the opportunity to equally participate in or benefit from the goods, services, and accommodations afforded to other individuals, thus violating Chapter 121. Tex. Hum. Res. Code Ann, § 121.001, and entitling Plaintiff to injunctive and statutory damages.
